

Hello from Our Chairman

In my introduction to the last newsletter I said that things never stand still at Goldhay Arts, well that is certainly true. Over the last 3 months we have seen the 'make over' of our office and activity room, which has been re-decorated and provided with new furniture and a new logo for the charity.

I would like to take this opportunity to thank everyone involved, fellow trustees, our supporters and of course our members.

The next exciting project is to provide innovative activities for younger people on Wednesdays. I look forward to updating you on this in the next newsletter.

Christmas Lunch

A visit from Santa with a sack of goodies was a welcome surprise at our Christmas lunch. Another fun, yearend gathering for the group, staff and parents.

Welcome

Over the past few months we have had some additions to our group. We would like to take this opportunity to say a huge welcome to Godwin, Hayley, Jayne, Jimmy and Nicola to the Goldhay Arts family.

Thank You Very Much

A proud moment for our group members as they received Commissions for their performances and art work sold throughout 2017.

Revamping our Space

With the help of **Bretton Parish Council**, **Baily Thomas Charitable Fund** and **Walters Ltd**, we have over the Christmas and New Year break, been able to revamp our space, replacing all our old furniture with smart new tables and chairs. This has been a welcome change for our service users who were actively involved in choosing the new furniture. The space is lighter, brighter and more spacious, showcasing the colour scheme that has been used to design our new logo. Please watch the space for our new website!
